Our Services

Mater Health and Wellness provides clients with access to a team of leading allied health professionals, as an extension of the exceptional care provided at Mater. Working together and with the wider community, Mater Health and Wellness provides a coordinated approach to individual treatment programs. Each client receives a thorough assessment and an individualised program for optimal health and wellness, during recovery from stress, injury or illness.

Location

Mater Health and Wellness is located at Level 1, Corporate Services Building, Raymond Terrace, South Brisbane Qld 4101 (please refer to map above).

The clinic is easily accessible by public transport. It is a short walk from the Mater Hill Busway and South Bank Train Station.

Parking is available at a number of car parks located at Mater. The closest car park to Mater Health and Wellness is Hancock Street car park (please refer to map above).

For patients who are physically unable to attend the clinic, home based therapies are available. Please telephone Mater at Home on 07 3163 1760 for more information.

For more copies of the Mater Health and Wellness referral pad please contact
Mater Health and Wellness on 07 3163 6000.
